BOF requires all event officials, Organisers, Planners, and Controllers to have attended an ESW Course. They will be notified of your attendance.

Course Organisers: Roger and Judy Craddock, QO. jandr.craddock@gmail.com 01823 323850

The course is open to all SWOA members without charge.
Your club may help with travel expenses
Please pre-book. No EOD.

Course Leader: Richard Keighley, WIM

The workshop aims to provide Event Volunteers with an overview of the safety & welfare issues which may arise as a result of staging an Orienteering event. To have knowledge of the British Orienteering procedures & policies that exist and employing practical measures to reduce risks to acceptable levels and what to do in the event of an accident or incident occurring.

Topics covered will include

- Hazards and risks
- Safe course planning, assembly and parking
- Risk assessment
- Volunteer management and the protection of vulnerable groups
- Search and rescue
- Wrap-up, review of learning outcomes

Contact details: tollbar@freenetname.co.uk Tel: 01258 860935 (before 21.00)

Pre-course Reading: Investigate the contents of the 'Get Involved section' of the British Orienteering website.

This day is a "Double Bill" occasion. The Organiser's Course will start at 10.30 (see separate flyer), at the same venue, Staplegrove Village Hall. Roger Craddock is again the Organiser for the course.

*A filled roll will be available between the sessions offering a selection of:
Ham & Mustard, Cheese & Pickle, Brie & Cranberry, Tuna & Mayo.
Crisps and tea/coffee/cordial available. There will be a charge of £3 to cover costs.
Please let us know your preference at the start of the day or in advance.*
