

Summary of Committee Meeting – 5th July 2012

- **Event Questionnaire** Full results to be posted on the website and a summary placed in BOK NEWS. Some of the findings have been, or are in the process of being, acted upon. Committee will consider how to address others. Thanks to all those many members who responded, to Mike Forrest for overseeing the project, and to Scott Bailey and Alan Kempton for producing reports.
- **Home for Klub General Kit** After an extended search the Klub is grateful to Scott Bailey for volunteering to provide a storage area for non specialist equipment including start / finish kit and signage. This will enable such general kit to be brought under one roof and make life easier for future organisers. Existing arrangements for specialist kit including SI / Computer, String Course and First Aid are working well and will not be affected.

- **Avon Schools Orienteering** Congratulations to Adam Potter as the inaugural recipient of the new John Lewis Award, instituted by ASO in recognition of the many years of dedicated service that John has made to local schools orienteering. The Award will be made annually by ASO Committee to the most deserving ASO competitor who contributes to the sport, particularly with planning events.
